

Dear Michelle and everyone at Immerse,

Mark and I cannot thank-you enough for making our wedding day so memorable.

The venue, the food, the wine, the staff were all exceptional. Our guests have had nothing but great things to say about Immerse, so we're sure you will see some of them again.

Thank-you for all your assistance in planning the wedding and your excellent organisation and calming influence on the day, Michelle. We look forward to ~~us~~ visiting Immerse again.

Regards Nerise + Mark (9/08/2008)
